

Title

”Tooth preparation techniques for prosthetic restorative treatments”

Hands-on

Crown/Veneer/Overlay tooth preparation and cementation

3 days seminar

9:00-17:00

DAY1

9:00-10:30 Lecture” Tooth preparation techniques for prosthetic restorative treatments”

10:30-10:45 Short Break

10:45-11:45 Anterior crown preparation hands-on Lecture & demonstration

11:45-12:30 Hands-on

12:30-13:30 Lunch Time

13:30-14:30 Posterior crown preparation hands-on Lecture & demonstration

14:30-14:45 Short Break

14:45-16:45 Hands-on

16:45-17:00 Q&A

DAY2

9:00-10:00 Veneer Lecture

10:00-10:15 Short Break

10:15-11:15 Veneer preparation hands-on Lecture & demonstration

11:15-12:30 Hands-on

12:30-13:30 Lunch Time

13:30-14:45 Veneer cementation hands-on Lecture & demonstration

14:45-15:00 Short Break

15:00-16:45 Hands-on

16:45-17:00 Q&A

Day3

9:00-10:00 Posterior overlay Lecture

10:00-10:15 Short Break

10:15-11:15 Posterior overlay preparation Lecture & demonstration

11:15-12:30 Hands-on

12:30-13:30 Lunch Time

13:30-14:45 Posterior overlay cementation lecture & demonstration

14:45-15:00 Short Break

15:00-16:45 Hands-on

16:45-17:00 Q&A

*using internal scanner(Trios, iTero, etc.)for verification of the amount of reduction
